

Introducing **HELEN FOWLER**

Care Centre Manager at Acacia Court in Pudsey

Tel: 0333 999 8728 | Email: acaciacourt@meridiancare.co.uk

Helen is a Registered Manager with over 20 years' experience in adult social care and numerous professional qualifications in health and social care, management and dementia care. She is a dedicated leader who is passionate about providing care that makes each experience for a Resident as positive as it can be.

Helen joined Meridian Healthcare as Care Centre Manager because she shares Meridian's person centred approach and believes strongly in being Resident focused in all that she does. Helen embraces the responsibility that comes with being a Care Centre Manager and particularly enjoys making a difference to the wellbeing of her home's Residents.

Helen uses her personal experiences to guide and motivate her team to deliver the kindest possible care and support to Residents. Helen also works hard to arrange events and activities with nearby schools and nurseries and is always keen to include the local community in life at Acacia Court.

Helen's experience prior to joining Acacia Court, includes commissioning a care home for adults with learning disabilities and challenging behaviour and managing a care home for people living with dementia.

She has enjoyed the variety of her roles, which have given her a good knowledge and understanding of the different care settings.
