In addition to achieving the Registered Manager Award, Holly has furthered her own professional development with a range of additional training including a Diploma in Management of Health and Social Care.

Holly shares Meridian's vision to give the very best care to Residents, to be responsive to individual needs and to go the extra mile. When you meet Holly, you will realise that she is truly dedicated to her Residents and delivering a quality service. She particularly enjoys getting to know Residents and their families.

Holly previously managed Meridian Healthcare's Fir Trees Care Centre in Tameside. A residential care centre caring for people with dementia related conditions. The home was fully compliant with the Care Quality Commission. Under her leadership, the team at Fir Trees won a 'Putting People First' Award in the Great British Care Awards.
